

What is LAHU PAC?

LAHU PAC is a voluntary, non-partisan organization that solicits contributions from members of NABIP Louisiana, as well as the state's health and disability insurance industry.

Why Should I Contribute?

Through LAHU PAC, NABIP Louisiana can support candidates who understand and promote the health and disability insurance industry. Your contributions to LAHU PAC give NABIP Louisiana the ability to develop champions for our business and recognize legislators who speak out for your interests.

How is the Money Used?

Contributions are used to enhance the association's political advocacy efforts. They are also used to support Louisiana legislative and statewide candidates who have demonstrated a commitment to issues of key importance to NABIP Louisiana members and the state's health and disability insurance industry. All distributions must be approved by the LAHU PAC Board of Directors.
